

Press Event: Adaptation Fund and SIDS: Increasing Resilience to Climate Change and Disasters in Fiji, Solomon Islands and other Small Island Developing States

November 15, 2017

10:00 am – 10:30 am

Press Conference Room 1, BULA Zone

The Adaptation Fund and its accredited multilateral implementing entity UN-Habitat will present on two newly approved projects to increase urban resilience to climate change and disasters among highly vulnerable communities in Fiji and the Solomon Islands. The Fund will also briefly discuss its overall SIDS portfolio, and larger portfolio focused on the most vulnerable communities in developing countries as it reaches its 10th anniversary.

Agenda

Mr. Michael Kracht, Chair, Adaptation Fund Board

Mr. Mikko Ollikainen, Manager, Adaptation Fund Board Secretariat

Ms. Shipra Narang Suri, PhD, Coordinator, UN-Habitat, Urban Planning and Design Branch
