

- On 15 May 2017, the TEC Chair received a letter from the CTCN Advisory Board Chair
- On participation of CTCN Advisory Board in TEC task force on innovation and RD&D
- The CTCN Advisory Board requested that the TEC consider:
 - *Providing the Chairs of the CTCN Advisory Board with greater flexibility by allowing them to nominate a replacement representative on an ad hoc basis*
 - *Allowing additional CTCN Advisory Board members to participate in activities of the IRDD Task Force*
