# CDM-AP and MP workplans 2019

**CDM EB 102**

Bonn, Germany, 25 to 28 March 2019

## Procedural background

---

- The mandate of the panels and working groups is determined by their terms of reference, the rules of procedure of the Board, and additional guidance provided by the Board.
- The products in the workplans are based on the agreed CDM business and management plan 2018-2019 and routine operations.
- The draft workplans for the CDM-AP and the MP have been prepared in line with the draft CDM EB workplan.

## Subsequent work and timelines

---

- Updates on the CDM EB workplan during this meeting, will be incorporated into the final workplans for the CDM-AP and the MP.
- The workplans will be updated continuously and the status reports on implementation of the workplans will be reported to the CDM-AP and the MP and their respective chairs and vice-chairs.

## Recommendations to the Board

---

The secretariat recommends that the Board adopt the workplans for the CDM-AP and the MP for 2019.
