

## **Report back agenda item 6: Report on the Determination of the needs of developing country Parties related to implementing the Convention and Paris Agreement**

The SCF agreed:

- a) On the revised indicative timelines and outreach activities as contained in the workplan for the report;
- b) To undertake further work, including data collection and analysis, with a view to prepare the second order draft.

## **Report back agenda item 6: Report on the Determination of the needs of developing country Parties related to implementing the Convention and Paris Agreement**

### Next steps

- a) SCF members submit additional points in writing by 16 October 2020 for consideration in drafting the next iteration of the report;
  
- a) The technical team, under the guidance of the co-facilitators, to incorporate comments and suggestions made by SCF members along with further work for the preparation of the second order draft.
